DR. STANLEY L. DRENNAN

On April 18, 1963, [redacted]

[redacted] telephone Hollywood
[redacted] telephone

[redacted] residence address [redacted]
[redacted] furnished the following information:

*Los Angeles
Calif.*

Dr. Stanley L. Drennan, a physician and surgeon, with offices at 3550 West Eighth Street, Los Angeles, California, phone DU 2-5755, has been [redacted]

[redacted] For the past several years, Drennan, in his political orientation, has indicated that he is to the extreme right, that he hates the Democratic Party and its leaders. Drennan claims to have documentary proof that Eleanor Roosevelt and Dwight Eisenhower are communists.

On April 17, 1963, Dr. Drennan told [redacted] that something had to be done as the Pope has stopped his fight against communism and has come out in favor of co-existence and working through the United Nations, and that unless immediate action is taken, this country and the world would go communist within two years.

Dr. Drennan then remarked that "we are going to do something about it," and said that he was on his way over to Poor Richard's Book Shop, 5403 Hollywood Boulevard, Los Angeles, which is owned and operated by F. X. Banuzzi, in order to discuss with others the plan for assassinating President John F. Kennedy, Attorney General Robert Kennedy, and 20 or 30 members of Congress. [redacted] said he was quite certain that by the term "we", Drennan referred to the John Birch Society, as he mentioned that organization later in his conversation, as will be shown below. Drennan mentioned the name of Senator Jacob Javits of New York in his conversation, and although [redacted] is not absolutely certain, it is his recollection and conclusion that Senator Javits

DR. STANLEY L. DRENNAN

was to be one of the "victims". Dr. Drennan said they would select "a member of the military" with a "neutral" political reputation, and no connection with "the John Birch Society", to perform the assassination, so as not to cast reflection upon the John Birch Society.

In October, 1962, Dr. Drennan invited [] to attend an open meeting of the John Birch Society, which was held at his residence. [] attended this meeting, at which there were about 15 people present and the main speaker was Carl Prussian, []

Calif [] A collection was taken up in behalf of Prussian. About five weeks ago [] attended another open meeting of the John Birch Society at the home of F. X. Ranuzzi at 4824 Glencairn Road, Hollywood, California, at which 27 people were present.

Dr. Drennan advised [] that he and his group are endeavoring to secure the release of the Venezuelan who fled that country with twelve or fifteen million dollars and is incarcerated in Cuba.

Dr. Drennan is a staunch supporter of General Walker of Texas, and at the present time he is engaged with others in his group in collecting clothing and drugs to be sent to the Cuban raiders. Dr. Drennan stated that they did not need money, only supplies, combat-type clothing and drugs for those Cubans who are conducting raids against Castro. Drennan said that any money contributed would be immediately converted to such supplies.

In Ranuzzi's Poor Richard's Book Store there are history books, biographies and pamphlets which are generally critical of the American Government. On the other hand, there are books by well-known authors against communism.

DR. STANLEY L. DRENNAN

The Los Angeles County Medical Association Directory of Members dated 1955 mentions Stanley L. Drennan who was born in 1916, graduated from Oklahoma University in 1941, was licensed to practice medicine in California in 1946, who then maintained his office at 175 South Vermont Avenue, Los Angeles, Calif. in 1962

California, furnished to the FBI, Los Angeles a news letter dated September 14, 1961; on the letterhead stationery of the Voters Independent Party (VIP) which tells of a meeting on August 8, 1961, in East Woodland Hills, California, of a small group who heard about a plan to place the VIP on the ballot. The news letter indicates the VIP was "dedicated to preserve, protect and defend the constitution of the United States of America," and advocates a "pro-capitalist, libertarian philosophy of government", and was anxious to obtain 80,000 registrations to gain legal recognition.

Records of the Identification Division of the Los Angeles Police Department, reviewed on April 19, 1963, disclosed the arrest on March 11, 1952 of one Francis X. with the Poor Richard's Book Shop.

[redacted]
Los Angeles advised on September 21, 1960, that the Poor Richard's Book Shop, 5403 Hollywood Boulevard, is operated by Mr. and Mrs. F. X. Ranuzzi both of whom are members of the John Birch Society and that Mrs. Ranuzzi had asked her to attend a meeting in her home to learn more about a group of "good people" who felt no one was doing anything to check communism and were therefore "arming" themselves against the communists.

"The Los Angeles Times" newspaper dated March 9, 1962, contained an article entitled "Right-Wingers Hit on 'Quote' by Krushchev", datelined at Washington, D. C., which said that Senator Metcalf (Democrat - Montana) had charged that political leaders were being bombarded by postcards bearing a quotation falsely attributed to Soviet Premier Krushchev which "arouses Americans against their elected officials", that the quotation had been circulated in material endorsing the John Birch Society printed on postcards distributed by a savings and loan association "and Poor Richard's Book Shop," both of Los Angeles. A sub-article added: "F. X. Ranuzzi, owner of Poor Richard's Book Shop said he had used the quotation on an estimated \$00,000 cards bearing lists of books on Americanism. He said he believed he picked up the quotation from one of the Coast Federal's cards and assumed it was authentic".

In December, 1962. [redacted]

[redacted] made available to the Denver Office of the FBI a one page leaflet captioned, "International Press News Briefs, June 5, 1962" which facetiously lampooned the family of President Kennedy, which (Drier said) emanated from Poor Richard's Book Shop, 5403 Hollywood Boulevard, Los Angeles.

Member of Executive Board of

On March 6, 1962. [redacted]

[redacted] made available a printed letter of the "Committee to Free Cuba," with national headquarters at Post Office Box 91, Arcadia, California, dated

DR. STANLEY L. DRENNAN

March 2, 1962, which lists F. X. Ranuzzi among members of its advisory board and states that the committee, a recently chartered non-profit organization, had been organized to rally all patriotic Americans "to stimulate public opinion to demand more backbone in our politicians and public officials" and to encourage and aid "morally and legally" the anti-communist underground in Cuba for the purpose of saving Cuba from communism. This letter lists [redacted] b7D

[redacted] who signed the letter. [redacted] had previously (on February 5, 1962) identified F. X. Ranuzzi as a book store owner.

Committee To Free Cuba
The ~~American~~ Committee to Free Cuba Inc. with national headquarters at Post Office Box 91, Arcadia, California, mailed some of its literature to the Santa Ana, California Resident Agency of the FBI in an envelope postmarked November 27, 1962, which disclosed an obvious similarity in stationery format and membership in its advisory board and executive committee with those of the above-mentioned "Committee to Free Cuba". A "special news-letter" criticized the "no invasion promise" of President Kennedy for "reducing the United States to the shameful role of a surrendering nation" and the "no war" but surrender policy of the United States Government for frustrating efforts of the Cuban underground in the United States, claiming that "Cubans are in essence forbidden to free their country". It added that petitions were being prepared to request immediate action by Congress "in permanently resolving the Cuban crisis".

A confidential source who has furnished reliable information in the past advised on February 11, 1963, that the "American Committee to Free Cuba Inc." was then circulating a printed letter which stated it was instituting a petition

DR. STANLEY L. DRENNAN

to the President of the United States "demanding the destruction of the communist regime in Cuba", to which petition five million signatures were to be sought.

He stated that they have been in contact with their informant [redacted] who as yet has not gone to any additional meetings to which he has been invited by Dr. DRENNAN but plans to do so in the near future.

According to Mr. GOPADZE their investigation will eventually point to an interview with Dr. DRENNAN.

The Los Angeles Office will maintain contact with Secret Service in Los Angeles for further developments in this matter and advise the Bureau of the results thereof.

INTERNAL SECURITY

Reference is made to Buairtel 5/3/63 and Los Angeles letter 5/31/63.

This is to advise that on 7/17/63, Mr. GEORGE SHEAKS, U. S. Secret Service, Los Angeles, California, advised that Secret Service has completed their investigation and closed their case on Dr. STANLEY L. DRENNAN. Mr. SHEAKS stated that their office had interviewed Dr. DRENNAN and FRANCIS X. RANUZZI regarding statements and any plans to assassinate the President. Mr. SHEAKS stated that both Dr. DRENNAN and RANUZZI denied making any such statements to their recollections, and added if any comments along those lines were made, they were without any real foundation or thought in mind of participating in such an event.

Mr. SHEAKS stated that he is inclined to feel as a result of his investigation that if any statements or ideas were put forth suggesting assassination of the President, it was done without any real intent and it was for this reason that their case is being closed.

No further action is being taken in this matter by the Los Angeles Office of the FBI.

ASSASSINATION OF PRESIDENT
JOHN FITZGERALD KENNEDY
NOVEMBER 22, 1963
DALLAS, TEXAS

The final edition of the "New Orleans States-Item" on May 13, 1963, reported that New Orleans District Attorney James C. Garrison's Office had subpoenaed Dr. Stanley L. Brennan of Los Angeles, California, and Clinton Wheat of Burney, California, to testify before a Grand Jury in New Orleans on May 29 and 30, 1963, regarding Garrison's probe of the assassination of former President John Fitzgerald Kennedy. According to the news story, Garrison's Office alleged that Dr. Brennan was present in 1963 at a discussion concerning the assassination of President Kennedy and Wheat participated in 1963 in discussions at his home concerning the assassination.

Dr. Brennan may be identical with the individual of the same name, a Los Angeles physician born in 1916 in Iowa, who was investigated in 1963 upon receipt of information that he and others attended John Birch Society meetings at which they discussed plans to assassinate President Kennedy, Attorney General Robert F. Kennedy, Senator Jacob K. Javits (Republican, New York), and other unidentified members of Congress. This information was furnished to the then Attorney General and to the United States Secret Service by letters which were dated April 19, 1963. This information was furnished to the Department and the United States Secret Service in greater detail in a memorandum also dated April 19, 1963, made at Los Angeles, California, captioned "Dr. Stanley L. Brennan." By letter dated May 3, 1963, the then Attorney General was advised that the United States Secret Service was conducting an investigation into this matter and that no further action was being taken by this Bureau.

Following the assassination of President Kennedy our Los Angeles Office was advised by a representative of the United States Secret Service at Los Angeles that Brennan's presence in Los Angeles on November 22, 1963, had been verified by the United States Secret Service.

The Attorney General

Clinton Wheat may be identical with Clinton G. Wheat, born in 1913 in Louisiana, who was sentenced to two years for robbery in Louisiana in 1943. Clinton G. Wheat was sentenced to life imprisonment for murder in Louisiana in 1949. This sentence was later commuted to fifteen years' imprisonment and Wheat was released in 1951. He was sentenced to two years' imprisonment for burglary in Texas in 1954.

Clinton G. Wheat resided in Los Angeles, California, in 1964, and on April 10, 1964, held a meeting at his residence of the "Committee of One Million Caucasians to March on Congress, July 4, 1964." Wheat was one of the leaders of this group. On May 8, 1964, a second meeting at Wheat's residence was held and the "Committee" was dissolved. Details concerning Wheat's activities with this group were reported in the Los Angeles report of Special Agent John C. O'Neill, May 21, 1964, captioned "Committee of One Million Caucasians to March on Congress, (COMCOC), 7/4/64, Racial Matters." This report was disseminated to the Department and to the United States Secret Service. Wheat's activities in this group were also reported in Los Angeles report of Special Agent John C. O'Neill, June 9, 1964, captioned "Clinton G. Wheat, aka, Racial Matters," which was also disseminated to the Department and to the United States Secret Service.

The files of this Bureau reveal that in March, 1966, Clinton G. Wheat was living in a rural area of Klamath County, Oregon, and was self-employed as a welder, logger, and mechanic from his residence. As of November 1, 1966, Wheat resided in the rural area of South Klamath Falls, Oregon.

This information is also being furnished to the United States Secret Service.

The Attorney General

NOTE:

Apart from the reasons given in the newspaper article, we have no information as to exactly why Garrison has subpoenaed Drennan and Wheat. No information exists in our files which ties either of these men to Lee Harvey Oswald or to Clay Shaw. Garrison has issued a subpoena for Eugene Bradley, the Californian from Los Angeles, and Garrison may be trying to tie these two men to Bradley. Our files do not contain the results of the United States Secret Service check on Drennan's whereabouts on November 22, 1963, other than the establishment of the fact by United States Secret Service that Drennan was in Los Angeles on that date.
